

Brighton & Hove Child Poverty Commissioning Strategy 2012-15

Brighton & Hove Strategic
Partnership

28 February 2012

Brighton & Hove
City Council

Informed by a needs assessment

- Presented initial findings to Brighton & Hove Strategic Partnership (September 2010)
- Overseen by task group with representatives of each thematic partnership
- Signed off at the Public Service Board (June 2011)

Headlines

- 22% of all children in Brighton & Hove, 1 in every 5, live in poverty
- In line with the national average but significantly worse than the South East
- Wide variation across the city (1 in every 2 children in the poorest communities)

Child poverty is defined as

- Children and young people living on less than 60% of the national median income
- £344 per week for a two parent family with two children before housing costs
- £263 per week for a one parent family with two children before housing costs

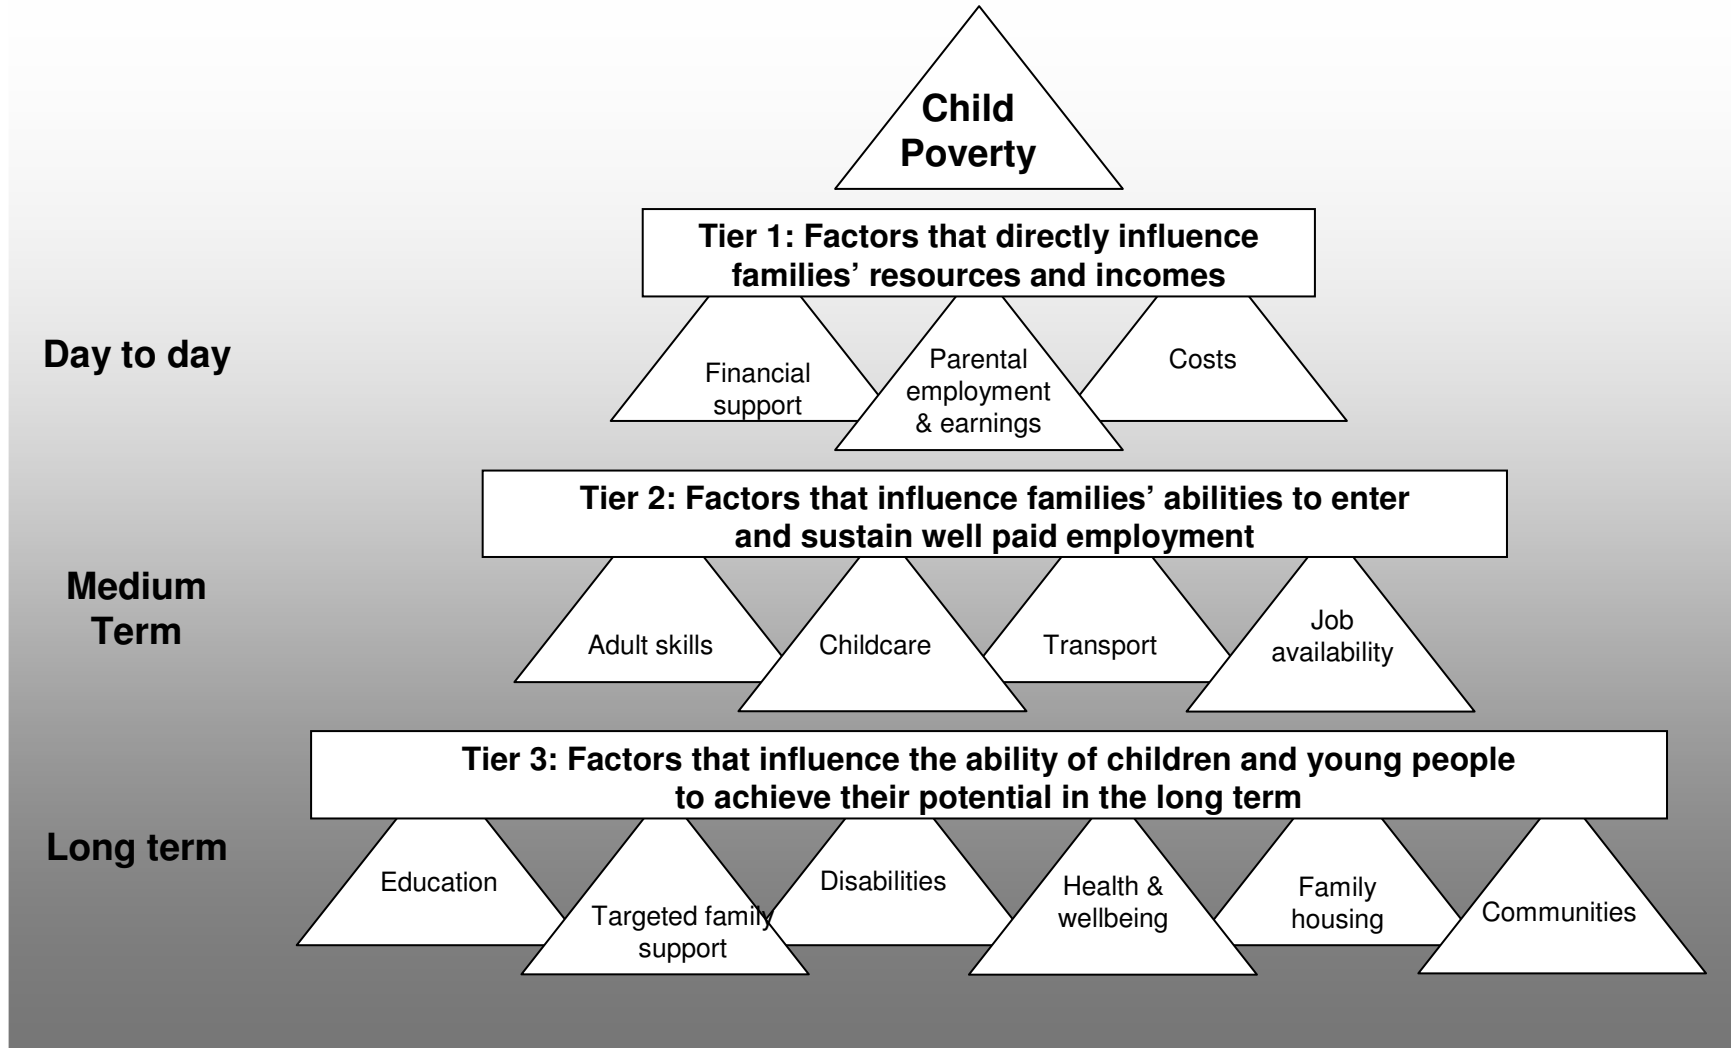

The Social & Economic Context

- Rising unemployment/reduced employment
- Rising costs of living
- Reductions in public services funding
- Reductions in welfare benefits
- Reductions in tax credits
- Disproportionate impacts on families

Causes and solutions are many and varied

Recommended focus on

- Lone parents - the majority family type living in poverty
- Children and families with disabilities - higher risk of living in poverty
- Families with a complex range of problems - impacts on children's life chances
- Black and Minority Ethnic families – higher risk
- Supporting community based organisations – trusted and effective gateways

Four Strategic Outcomes

- Strategic Outcome 1

Child poverty outcomes provide an overarching theme for the Local Strategic Partnership and reducing child poverty is a Council standard priority for tackling inequality

Effective mechanisms are in place to lead, drive forward and assess progress on alleviating and reducing child poverty

Four Strategic Outcomes

- Strategic Outcome 2

Families have the resources to enable them to meet their day to day needs and to make positive choices to ensure their family's wellbeing

Four Strategic Outcomes

- Strategic Outcome 3

More parents, carers and young adults living in poverty gain the skills, training and qualifications they need to get decently paid jobs and more families earn, as a minimum, a living wage for Brighton and Hove

Four Strategic Outcomes

- Strategic Outcome 4

Children and young people grow to adulthood and achieve their potential in safe and nurturing families and communities

Delivery

- In the Council's Commissioning Plan – a 'citywide' commission
- Must be supported by other relevant commissions and by all partners
- A six monthly task group with seniority to oversee the outcomes
